29th January 2002

Dear Sir,

Re: Maurice Kirk

On 19th June 2000 I appeared at Cardiff Crown Court on behalf of the Respondent in an appeal by Mr Kirk against his conviction at Bridgend Magistrates Court for Public Order Offences.

I confirm that this was a matter which would have been eminently suitable for disposal by way of a Binding Over, with no conviction being recorded.

I can also confirm that both at the Magistrates Court and at the subsequent appeal the Prosecution was obliged to concede that the first blow was delivered by the complainant (a retired Police Inspector) and not Mr Kirk.

Yours faithfully,

IEUAN REES
