Tick if witness evidence is visually recorded (supply witness details on front page)

I have been given the Victim Personal Statement (VPS) leaflet and the VPS scheme has been explained to me. What follows is what I wish to say in connection with this matter. I understand that what I say may be used in various ways and that it may be disclosed to the defence.

I am affected both mentally and physically due to the fact that for nearly 4 years I have been the subject of malicious psychiatric reports causing me reported events and long term imprisonment. Nothing - the last matter - at submitting my application for reversal of my passport to the pilot's licence.

These reports GPs in the South Lakes area have advised to take me as a patient because of the political complications of my circumstances.
