Dear Mr Kirk

Following on from your request this morning, and on a previous occasion, for copies of correspondence from Dr Silvester, Caswell Clinic, Dr Bagshaw, Caswell Clinic and Prof Roger Wood, I can confirm that we have no correspondence from these particular doctors. Therefore, we are sorry but we are unable to meet your request.

As to your request that I contact Caswell Clinic to access your records, I am afraid that this would be inappropriate.

Yours sincerely

Patricia Hold (Mrs)
Practice Manager
